To Whom It May Concern

This is to confirm that Fred Potvin has been appearing onboard mv Dawn Princess in the position of Cocktail Pianist.

During this time he has proved to be quite an asset to the Entertainment Department, displaying a varied and interesting repertoire, appealing to all age groups. He took on the role of Piano Entertainer when that performer vacated the position* in what was a smooth, seamless transition. He has received many positive passenger comments and I would welcome him back in either position.
