

November 19th, 2002
M/V Mercury

To Whom It May Concern:

This is a reference letter for pianist/entertainer Fred Potvin.

His musicianship is top-notch, his voice pleasing to the ear and his performances are always entertaining, as indicated by the passenger comments.

I look forward to this entertainer's show, and working with him again.

A handwritten signature in blue ink, appearing to read 'D Cole'.

David Cole
Cruise Director
