

March 22nd, 2003
M/V Mercury

To Whom It May Concern:

Fred Potvin was a pianist/entertainer on board the Celebrity Mercury during my time as Cruise Director. He is highly skilled at the piano, his voice pleasing to the ear and he is a fine entertainer, as indicated by the guest questionnaire.

I look forward to this entertainer's show, and working with him again.

A handwritten signature in black ink, appearing to read 'Julian Bertsch', written over a large, stylized circular flourish.

Julian Bertsch
Cruise Director
